WASHINGTON COUNTY FAIR GROUNDS

**SHOW RULES AND REGULATIONS**

**APRIL 23, 24, and 25, 2009**

Dear Exhibitors, Parents, and Leaders,

Welcome to the 23<sup>rd</sup> annual Dixie Junior Livestock Show. As I reflect on my own experience participating in 4-H and FFA, I am reminded of the many opportunities, education and lifelong friendships that were mine. It is this opportunity to learn and share experiences through agriculture that brings so many of our youth together.

Since the inception of the Dixie Junior Livestock Show the awarding of scholarships to continue learning has been an important part of the show. During the time that I showed the opportunity to receive a scholarship was not available. However, along with the values learned and the profits saved from my own 4-H and FFA projects, I was able to prepare and pay for my own college education. As each of you prepare to participate in the Dixie Junior Livestock Show you will learn the commitment it takes to care for another living creature. Some of you will taste the reward of winning and some the loss of a project that doesn't qualify for the show. I hope that each of you will know that you are all winners. Learning values of hard work, commitment, and helping others are just as much a part of your project as the steer, hog or lamb you are raising. All of these qualities will make you better qualified for the future. I hope that your participation in the Dixie Livestock Show will be a catalyst to lifetime of learning and achievement and that you will give your best to qualify to be a recipient of a Dixie Junior Livestock Show scholarship.

I want to wish each of you success with your projects. I hope you will always remember the rewarding times you share and the valuable lessons learned from your participation. Thank you for the opportunity to work with such a fine group of young people.

Good Luck,

Bart Smith, President Dixie Jr. Livestock Show

## Buyers Information

About the sale:

The Livestock show sale is a traditional event that brings the community together in support of this character building, youth program. Buyers have four options at the sale:

Option #1: Keeper – send to packer

- You pay the full price of the animal.
- You tell the auctioneer which packer you would like the animal sent to be processed. Processing fee to be paid by buyer due upon delivery of the order.
- All proceeds go directly to the participant.

Option #2: Support – Do not keep

- You pay the difference between the bid price, less the established “buyback” price (printed in column next to the animal weight).
  - Example      Bid price . . . . . \$450.00  
                    Less buyback. . . . \$87.50  
  
                    You pay . . . . . \$362.50
- Participant receives full bid price.
- Animal sold to Dixie Jr. Livestock Committee at market value.

Option #3: Scholarship Fund – Do not keep

- You pay the full bid price which goes to the participant.
- The animal is then resold, the proceeds of which are donated to the show for its use in conducting the show and offering scholarships to local youth.

Option #4: Keeper – Take the animal home (only ewe lambs)

- You pay full price
- You are responsible to remove the animal directly following the show.
- All proceeds go directly to the participant.

Your name will be announced as a purchaser at the show, as well as printed in The Spectrum newspaper after the show.

## RULES & REGULATIONS

- 1.1 The Show Committee holds final decision and control. All exhibits, grounds and buildings will be under the entire control and management of the committee. They also reserve the right to withhold premiums and any sale price in excess of support price in every case in which it shall appear to the committee that the regulations have not been complied with, or that fraud or deception has been practiced or attempted.
- 1.2 The Show Committee has the final and absolute right to interpret all matters arising out of or connected with the show or sales.
- 1.3 When there is limited competition, the judge is requested to award such premium as the exhibit merits in his opinion.
- 1.4 The Dixie Junior Livestock Show will not be responsible for any loss or damage that may occur. Each exhibitor will be solely responsible for any loss or damage done to another or occasioned by, or arising from any animal or article exhibited by him, and shall indemnify the Dixie Junior Livestock Show against all legal or other proceedings in regard thereto.
- 1.5 All special awards and trophies will be given at the exhibitor's dinner.
- 1.6 All showing and selling of animals at the show must be done by exhibitor, unless excused by management for extreme circumstances. Submission of extreme circumstances must be presented to the committee in written form before the event. Failure to comply with this rule, without prior approval by the show committee, will forfeit all proceeds from the sale above market value.
- 1.7 Failure to comply with these rules or bad conduct will forfeit premiums.

## EXHIBITORS

- 2.1 All exhibitors must be 4-H or FFA members.
- 2.2 Exhibitors must be in the third grade, but not less than 8 years of age as of January 1 of the current year. Any Exhibitor that is a senior in high school for the current school year and graduates in the spring will be eligible for the DJLS that year.  
***Exception:** Disabled persons as defined by Public Law 98-527. In these special cases, the animals must still be the project animal of the exhibitor and be cared for daily by the disabled person.*
- 2.3 All junior entries should be approved and SIGNED by County Agent or FFA Advisor, certifying that the animals exhibited are owned by the boys or girls and that these members are in good standing and have all records up to date.
- 2.4 **4-H** exhibitors are to wear collared long or short sleeved white shirts with official emblem on the left sleeve (left front if wearing a vest). **FFA** exhibitors must wear a white collared long or short sleeve shirt and tie, with emblem or official jacket. No T-shirts, tank-tops, tube-tops, sleeveless shirts, etc. are allowed when exhibitors take their stock in the show ring and sale ring. Everyone must wear full length pants. Exhibitors may not wear a hat

of any kind while in the ring. Failure to abide by above dress standard will preclude exhibitors from placing, selling, or receiving premium money.

### **REGISTRATION/ENTRIES**

**All entries are due by 5:00 p.m., Friday, January 9<sup>TH</sup>, 2009, and must include entry fees and exhibitor's social security number. Mail to: Dixie Junior Livestock Show,**

**44 NORTH 100 EAST, ST. GEORGE, UTAH 84770.**

- 3.1 Please use your complete mailing address on entry blanks, including zip code.
- 3.2 All entry fees are \$10.00 per animal and must be included with fully completed entry form.
- 3.3 Exhibitors can enter, show and sell one animal.
- 3.4 Home grown animals need to be registered on the entry form to qualify for that category.
- 3.5 Scholarship applications are due the same day as show registration. Those eligible for show scholarships must meet the following requirement:
  - Must be a member of 4-H or FFA.
  - Must have a GPA of 2.5 or better.
  - Must have participated in the DJLS at least three years/times.
  - Must be a senior in high school.
- 3.6 Signed, up-to-date record books are strongly encouraged to be entered into the Record-Book Contest, but are not required for participation in the show or sale.

### **SHOW ANIMALS**

- 4.1 Animals in market classes will be classified for judging according to weight.
- 4.2 All market beef, market lambs and market hogs in each division (4-H and FFA) will be judged jointly regardless of division membership.
- 4.3 Animals that have previously gone through another livestock show must be shown by the same exhibitor. Once an animal has gone through a livestock show sale, it is no longer eligible to enter the Dixie Junior Livestock Show.
- 4.4 All market animals exhibited at Dixie Junior Livestock Show must be OWNED, FED, AND TRAINED by the exhibitor for at least 90 days for lambs and hogs and 120 days for steers previous to the show.
- 4.5 All male animals in all market classes must have been castrated. No open sores permitted.
- 4.6 Each participant shall only bring one animal. No alternate animals maybe be brought to the show and left for slaughter.
- 4.7 Each participant may tag only one additional animal as an alternate.

- 4.8 This is a terminal show for all hogs, in compliance with state code R58-1-7 Swine. All hogs brought to and unloaded at the show may not be taken home, but must go to slaughter.

### **HOME GROWN ANIMALS**

- 5.1 In order for an animal to be considered "home grown" the following conditions must be met: The exhibitor or Extended family must COMPLETELY OWN THE MOTHER and house her at their local place of operation (leased, borrowed, or owned).
- Animal may be bred at another location, but must return to a local place of operation to carry out pregnancy and delivery.
  - The animal MUST BE BORN, RAISED, AND CARED FOR ON THE EXHIBITOR'S LOCAL PLACE OF OPERATION, adequate for good animal birthing and husbandry practices.
    - Example: Local lambing shed (Lamb), farrowing pen (Hog), or local pasture or range (Steer).
- 5.2 The Grand and the Reserve market animals are excluded from eligibility for the home grown award.

### **ANIMAL CARE AND HOUSING**

- 6.1 Exhibitors must put up place cards on their stall, stating name and club or chapter. The stalls and exhibitors' area/gear must be cleaned by 8 a.m. each day and kept clean. All refuse matter will be disposed of as the committee chairman may direct.
- 6.2 Exhibitors shall furnish necessary feed for animals. Bedding will be provided by the Dixie Jr. Livestock Show. If necessary, a bedding charge will be assessed to each exhibitor.
- 6.3 Waste shavings and manure must be piled outside of the area where designated by committee
- 6.4 No muzzles or other devices that prohibit or hinder eating or drinking are allowed on any animal at the show grounds. Liquid diets (drenching) are strictly prohibited. All feeds should be naturally taken, "free choice," by the animal. Any violation of this rule will cause the animal to be sifted.
- 6.5 No one is allowed to sleep in the livestock areas.

### **MISCELLANEOUS**

- 7.1 Exhibitors must allow their animals to be used in the judging contest if requested.
- 7.2 Premium money will be pro-rated as recommended by the judge and at the full discretion of the Dixie Junior Livestock Show Committee.
- 7.3 Complaints/Protests must be made in writing along with a \$50 deposit, and presented to the grievance committee within six hours after the cause or causes of the complaint/protest. If the grievance committee agrees it is a good suggestion, the author will get his/her money back. If not, it goes into the junior livestock show fund. The grievance committee consists of the Vice President, President, and Past President.

- 7.4 All entries must be on the grounds no later than 12 noon. Thursday, April 24, 2008. Entries arriving at a later time will be disqualified unless special approval from the committee. Animals will be received from 7:30 a.m. to 12:00 noon, April 24, 2008. (Animals must be accompanied by sufficient help to unload and care for in pens.)
- 7.5 All animals may only be weighed in one time. You may not go back and feed, water, etc. your animal and come back and weigh again. If they do not make weight the first time they will be sifted from the market class, but may still show in fitting and showmanship.
- 7.6 Only Exhibitors will be allowed in the show ring, unless the committee deems it necessary for the safety of the exhibitors.
- 7.7 ALL ANIMALS MUST BE TRAINED TO HANDLE PROPERLY.

### **SIFTING OF EXHIBITS**

- 8.1 A sifting committee will examine all exhibits and eliminate any animals not considered of suitable quality, condition or health to enter competition. Animals not properly trained to handle will be sifted. Market beef must be dehorned, trimmed and must grade at least SELECT. They will be examined at time of weigh-in. Those not meeting above standard will be sifted at that time.
- 8.2 Sifted animals will be marked and will be removed from the exhibit area by 8 a.m. on Friday. Sifted steer and lambs may be taken home. They will not be sold at the stock show auction on Saturday. Hogs may not be removed from the fair grounds. Sifted hogs will be sold at support price, and removed on Saturday.

### **FITTING AND SHOWMANSHIP**

- 9.1 All animals must be fitted (washed, clipped, and groomed) by the exhibitor, with help from immediate family (parents, grand parents, or siblings), FFA/4-H advisors or other exhibitors.
- 9.2 Fitting and Showmanship Contest
- Class 1 - 9th, 10th, 11th, 12th grade
- Class 2 - 6th, 7th, 8th grade
- Class 3 - 3rd, 4th, 5th grade
- 9.3 Exhibitors must show their own animals.
- 9.4 Animals must be completely groomed and ready for contest when entering the arena.

### MARKET HOGS

- 10.1 Hogs will be weighed into show and classed by weight. **Market Hogs under 220 pounds will be sifted.** Maximum sale weight will be 275 pounds. All weights above this point will be allowed to show, but will be sold as a 275 pound animal. (This was done to allow heavier animals to show without exhibitors having to “holdback”/starve their animals and reduce the quality of the meat.) Top hogs in each class will compete for champion.
- 10.2 Feeding of hogs and cleaning of pens must be done before 8 a.m. and between the hours of 5-7 p.m. Troughs and feed shall be moved from the area at all other times.
- 10.3 Hogs must be fed away from the alleys. Troughs and other gear must be kept out of alleys.
- 10.4 All hogs must be washed before coming to show grounds.
- 10.5 The committee reserves the right to apportion space and assign pens as necessary.

### MARKET LAMBS

- 11.1 Weight limits on Market Lambs will be between 100 pounds and 150 pounds. **Lambs under 100 pounds will be sifted.** All weights above 150 pounds will be allowed to show, but will be sold as a 150 pound animal. Top lambs in each class will compete for champion.
- 11.2 Lambs must be slick sheared before arrival to the Livestock Show. Lambs must be tight shorn before they cross the scale at weigh-in with no butt pattern.
- 11.3 All female lambs are required to have a scrapie tag from the breeder.

### MARKET BEEF

- 12.1 Market Beef will be placed in Blue, Red and White ribbons.
- 12.2 Premiums for the various grades will be pro-rated according to the number and quality of animals shown.
- 12.3 **Minimum weight on beef is 1,150 pounds.** Any animal below this will be sifted. Animals over 1,350 pounds will be allowed to show, but will be sold as a 1,350 pound animal.
- 12.4 All Market Beef will be stalled in specified area.
- 12.5 Any Market Beef exhibited at any previous show must be exhibited at this show by the original owner.

## SALE OF ANIMALS

- 13.1 An exhibitor will only be allowed to sell one animal.
- 13.2 Only animals receiving blue or red ribbons will be sold in the sale. Those receiving white ribbons cannot be sold in the sale.
- 13.3 All steers must have a brand inspection certificate accompanying the animal at weigh-in, unless "Home Grown".
- 13.4 Exhibitors must not dispose of animals before the close of the show. Any violation of this rule subjects the exhibitor to a forfeiture of all premiums won by him or her.
- 13.5 The show management shall have entire and complete say as to how and when animals are entered in the auction sale. It shall be the aim of show committee to so classify sale entries that animals of similar quality shall follow each other in sale order.
- 13.6 Owners of animals are responsible for their animals until they are sold and placed in specific holding area designated by the Dixie Jr. Livestock Show Committee. Buyers are then responsible.
- 13.7 All Grand Champion and Reserve Champion animals must be sold through the auction. All steers, hogs, and wether lambs must go to slaughter but ewe lambs may be kept for the purpose of breeding.
- 13.8 There will be a five percent commission charge on all private or auction sales of livestock. In addition, there will be a \$5.00 per animal charge for transportation by the Stock Show Committee to compensate for delivery of animals to buyers or packers.
- 13.9 Animals exceeding the maximum weight listed in their class will be sold for that max weight (Hog=275, Lamb=150, Steer=1,350).
- 13.10 All market animals may be sold by the pound or by the head at the decision of the sale committee.
- 13.11 Any Animals shown in Market class and subsequently pulled from the sale shall be subject to standard commission fees based on market price.

## CODE OF ETHICS

**A.** Treating an animal internally or externally, with any irritant, counterirritant, or other substance used to artificially change the conformation or appearance of an animal for show is considered unethical, inhumane, and is prohibited. This includes, but is not limited to, the use of graphite, powders, hemp, artificial hair, coloring, common products such as fly spray, ointment, or liniment used to the point that it is irritating, or similar type products.

1. The use of dyes, spray paint, or other artificial coloring, which results in altering an animal's true and natural appearance and/or color, is prohibited. The natural color of a steer cannot be altered using any artificial coloring. However, products that match the steer's natural color may be used in the fitting process from the knees and hocks down and on the switch only. For example, black products may be used on a black-legged steer, and white on a white-legged steer. But under no circumstances can color be used to cover a steer's natural leg color.

2. Adding false hair, clipped hair, or hair like material, fleece, or skin at any point, spot, or area of the animal's body is illegal and will result in immediate disqualification.

**B.** The use of tranquilizers, sedatives, or depressants, which alter the physical or physiological state of the animal, is illegal.

**C.** Surgery, injection or insertion of foreign material under the skin and/or into the flesh of animal to change the natural contour, conformation, or appearance of an animal's body is illegal. This includes vegetable oil, silicon, or any other substance used to alter an animal's shape. Acceptable practices of physical preparations, which are allowed, include: clipping of hair, trimming of hooves and dehorning.

**D.** Direct criticism or interference with the judge, show management, other exhibitors, breed representatives, or show officials before, during, or after the competitive event is prohibited.

**E.** At the time an animal is sold at auction at the livestock show, the exhibitors shall be held directly responsible for animals that are rejected at the processing center due to the presence of foreign residues. The seller may be liable to the buyer for an amount equal to three times the purchase price and may also be liable for attorney's fees and civil penalties. Show management may share acceptable intelligence and evidence information with FDA or USDA. If, for any reason, the FDA or USDA inspectors must remove any part of a meat animal carcass; the market price will be discounted.

**F.** Show management reserves the right to require animal health certificates. Health inspection and diagnostic tests may be made before or after animals are on the livestock show premises for exhibitor and animal safety, or to inaugurate disease control procedures which may become necessary in emergencies as determined by animal health officials. Any violation of the "Dixie Junior Livestock Code of Ethics" or specific rules as designated by the livestock show will result in forfeiture of premiums and awards, disqualification, and may result in probationary status and/or loss of eligibility for future participation in the Dixie Junior Livestock Show. Possible civil penalties may be imposed by the proper authorities based on evidence provided by the livestock show of exhibitors in violation of the Federal Food, Drug and Cosmetic act/or the animal mistreatment, neglect, and abandonment laws that apply on the local, state, and national levels. The decision of the livestock show management will be final.
